Anthem words

Co-equal Son, with God the father dwelling
eternal light, in peace and love we pray
In peace and love we pray give ear to our en treaty
beloved Lord, lok down on us this day

Pour down on us the fiery gace of thy salvation
Sound forth thy voice that powers of darkness now may flee from
thee
descend on eyes that sleep and souls that weary languish
that ne'er we turn from paths of thy laws.

o christ thy faithful people entreat thy benediction,
Now gathered here for thy grace we implore.
Receive the songs we offer to thine immortal glory
Our hearts we give in their fulness to thee.
